**BOARD OF MORGAN COUNTY COMMISSIONERS  
BOARD OF EQUILIZATION OF MORGAN COUNTY, COLORADO  
Minutes of Abatement Hearing  
August 4, 2010**

**APPEAL HEARING-CARGILL MEAT SOLUTIONS CORP SCHEDULE NUMBER P001499**

The Board of County Commissioners met on August 4, 2010 at 1:30 p.m. with Chairman Brian McCracken, Commissioner Carlson and Commissioner Teague in attendance.

Chairman McCracken opened the hearing on Schedule Number P001499 with Cargill Meat Solutions Corp. being absent.

Chairman McCracken asked Morgan County Assessor Bob Wooldridge to present his recommendations to the Board. Wooldridge testified verbally that following the notices of value that were sent out, it was determined Cargill had included a full electrical upgrade project on the kill floor was included as real property which Wooldridge disagrees with.

Wooldridge stated the Assessor's Office wants the error fixed and cannot do anything at this time. When the Assessor's Office gets the correct information they will make the adjustments and send Cargill a notice of new value. Wooldridge stated the Assessor's Office will not receive any information from Cargill until the end of August or first part of September, therefore, he recommends extending the appeal due to lack of enough data to make a decision.

Commissioner Carlson made a motion to deny the appeal and uphold the Assessor's value. Commissioner Teague seconded the motion. Motion carried 3-0.

We hereby adjourn and are in recess at 1:39 p.m.

Respectfully Submitted,

Dee Loose  
Deputy Clerk
