Effective June 1st new legislation will require Colorado motor vehicle owners to pay a late fee on delinquent registrations. This late fee will be assessed at \$25.00 per month up to \$100.00.

The late fee will apply to:

- **Renewals past the 30 day grace period**
- **Expired temporary permits**
- **New vehicles not registered within 60 days of purchase**
- **Vehicles not registered within 90 days of residency in Colorado**

Important: State law requires vehicles to be currently registered whether the vehicle is used or not to avoid late payment fees.
